RESPONSE TO RESTRICTION REQUIREMENT

In response to the Restriction Requirement of April 18, 2002, Invention I, claims 1, 3, 4, 7, 8, 17, 19, 20, 21, 41, 43 and 47, is provisionally elected, though the requirement be traversed. Invention I should also include claims 9, 40 and 46, since the subject matter of these claims is likely to be examined with that of Invention I. Also, Invention I should include claim 9, since the pellets claimed therein are made by the process of claim 1.

COPY OF PAPERS
ORIGINALLY FILED

Further, it is not understood why restriction of Invention II is required where it is in the same class and subclass as Invention I.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'L. Parker', written over a horizontal line.
